

1 in 4 people with pancreatic cancer won't survive a month. And 3 in 4 won't survive for a year.

We need change, fast.

With your help we can fund research that saves lives, by:

**Identifying a blood test
for quick diagnosis**

**Developing better
imaging equipment**

**Developing a fast track
to surgery**

**Personalising medicine
to make it more effective**

 **020 3535 7090**

 **pcam@pancreaticcancer.org.uk**

 **pcam.pancreaticcancer.org.uk**
